FILING OF AN INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97(b)

The attached list of citations on PTO Form 1449 is being submitted under the provisions of 37 CFR §1.56 and §1.97 for consideration by the United States Patent and Trademark Office, prior to the granting of this patent. Their inclusion herein should not, however, be construed as an admission that any particular cited document is effective prior art or that it discloses or renders obvious any aspect of the claimed invention. A copy of each cited document is enclosed, except U.S. Patent documents, and those references which are already part of the filewrapper.

However, in order to simplify the number of references and reduce duplicative submissions listed in this Information Disclosure Statement, Applicants have prepared a summary of corresponding US Patents to their respective WIPO Publications. It should be noted, Applicants only list a representative number of the corresponding US Patents and Publications on the PTO 1449 form and do not assert that this is a full and complete listing thereof. As the US patents are no longer required to be submitted, copies of these do not accompany this response. Should the Examiner wish copies of any listed references please advise the undersigned at the number indicated below.
